“Casper” has been a great asset to ASR. We purchased him as a yearling and immediately saw a bright future for him. He is athletic, great minded and has the heart of a champion. He has the disposition we all strive for, quiet and willing both in and out of the arena. He has consistently passed his great temperament on to his get. His foals have started to excel in all areas from barrels and poles to HUS and Western Pleasure. They are natural movers and are proving to be truly versatile horses that are willing to do whatever you ask of them. If you want a stallion who consistently puts great leg under his get, combined with a willing temperament and balanced, correct bodies, then look no further. Casper’s foals have it all, and have proven to be athletic, willing and ready to do whatever you want.

KYQH BIF money--- Finally a total of \$446,629 will be distributed for 2007 events paying \$238 a point. This will reward both owner of BIF eligible horses, as well as owners of broodmares and stallions. Now is the time to get in on the reward. We have heard under 100 studs produced \$446,629 for 2007. NOW Kentucky has near 500 studs working on the 2008 payouts. Even at \$238 a point, our stud's offspring, if like their sire, at a weekend QH show should put on 20 points and make over \$4,000 per weekend. That and day money is just fine and you can still do NBHA, NPBA, IBRA, the rodeo and futurities with his offspring.

KY OUTLAW ACRES QH FARM is now located in **WINCHESTER, KENTUCKY**. 90 Acres available for your broodmares or check out some of ours for sale in foal for a 2009 BIF foal. We also offer **FOR SALE** weanlings, yearlings and prospects ready to show. 631-445-2412 for more info.

Jets COUNTRY Payday

ANGEL'S JET RAIL SI96 - MS COUNTRY MUSIC SI82 (JET'S PAY DAY SI98)

1992 BAY AQHA STALLION

Jets Country Payday is an exceptional stallion with a great temperament. In his own right, he was a 19 second pole horse and a 1D barrel horse by the time he was a four year old. Due to an injury, his show career was short lived, but he has passed on his temperament and his athletic ability to the foals he has on the ground. With a very limited number of foals, he has produced AQHA World Show Qualifiers as well as Racing ROM earners.

He has been recently purchased by the Quisenberry's of Williamsport, Indiana and they would like to give the public the chance to breed to this high quality stallion.
