- The Triple Crown 100 Stallion Incentive is a program designed for young stallions with only a few crops or a limited number of performers.
- Our goal is to convince potential breeders to give these stallions a fair chance.
- With the excitement of a stallion auction we feel that it will give breeders the opportunity to purchase breedings and have an opportunity to recoup their own \$\$\$.
- With huge Bonus \$\$\$ we hope to influence the decisions of more owners and buyers to breed to Triple Crown Stallions and purchase Triple Crown foals.
- We feel as if we have teamed up with some of the best Producers and Stallions to take barrel racing to another level.
