Barrel Futurities of America celebrated its 25th Anniversary, a silver World Championship affair, at Oklahoma City, OK, December 6-11, 2010. Over 1200 contestants competed in six different events during the action packed week at Jim Norrick Coliseum. International competitors from Canada, Italy, and Brazil were included in that long list of barrel racers.

Famous Silk Panties, a Dash Ta Fame record-setter, claimed the Barrel Futurities of America World Champion title. Having begun her career by capturing the 2009 Super\$takes title and \$100,000, the tough little mare ridden by Lance Graves and owned by Heath Boucher flew through an amazing competition year which included the following titles and accomplishments:

2009 BFA Superstakes World Champion, Oklahoma City, Ok
2010 Central Mississippi Futurity Champion, Starkville, Mississippi
2010 LG Pro Classic Invitational Slot race Champion, Kinder, Louisiana
2010 WB Futurity Champion, Swanton, Ohio
2010 Indiana Barrel Futurity Champion
2010 international Border Challenge NBHA 1D Champion

2010 also included for Famous Silk Panties, 3rd in the Central Mississippi Slot race, Starkville, Ms., 4th Southern Rebel Futurity, Augusta, Ga., 3rd Southeastern Sports Arena Futurity, Unadilla, Ga., Top 5 at the

All American QuarterHorse Congress, Columbus, Ohio, top 6 AQHA World Championships, Oklahoma City, Ok. 4th in the Long Go at the Old Fort Days Futurity, Ft Smith, Ar.. Famous Silk Panties broke 4 arena records and has earned over \$250,000 in a single season. The highest for a barrel futurity horse in history!

Jud Little and Jolene Stewart-Montgomery saddled another BFA Futurity Champion as Aced My Bully equaled 2007 BFA Futurity Champion Sooner Superstar with the title and \$36,000.

Brian Wheeler, the youngster from Hattiesburg, MS, jockeyed Stephanie Wheeler's SX Dr Peacharita to the SUCCEED Derby title and claimed nearly \$8000.

Sarah Zaleski dominated the Elite Juvenile Futurity with her Dash Ta Fame, Hall of Famer. Her winnings totaled \$12,000.

Longtime partners Danny Kingins and Marne Loosenort achieved the Super\$takes win with a Dash Ta Fame prodigy, VF Hi N Famous. A check for \$100,000 and a trophy crystal were presented to the winner.

Organized 25 years ago to establish fair and consistent rules for futurity competitions, the BFA is the standard for futurity barrel racing. Developing high standards for both production and payoffs, the BFA continues to approve a number of futurities during the year and crowns

a year-end World Champion as well as producing the World Championship event. The World Championship has been contested in Oklahoma City, OK for 25 years after the National Finals Rodeo vacated to Las Vegas. Several individuals have been instrumental in the stability and integrity of the BFA. Their reputations and length of service are a testament to the quality of the association. Florence Youree served as President for the first 18 years. Pat Hutter set the bar high as an unflappable and gracious secretary for 20 years. And finally, Jimmy Roper is the Vice President - for 25 years!

The BFA and its current Board of Directors are excited about the barrel racing industry and the role futurities will play in the growth of this equine sport. EVERY aspect of barrel racing can be accessed through the BFA - aged competitions, open, junior, amateur, select horse sale, pedigree incentives. Technology advancements and membership services will be the new challenges as the BFA plans for the next 25 years. The office will no longer mail out information. The BFA website www.barrelfuturitiesofamerica.com will be the hub for information. Sponsors will continue to play an important role in underwriting purses and enhancing award programs.
